

## Assessing Your Tribe for Title IV-E Readiness: Code Requirements

- What is in place now? Assess Tribal codes, policies, and procedures.
- Are there changes needed to the Indian Tribe's codes and regulations to ensure that they are consistent with Title IV-E requirements?
- What is needed to establish a Title IV-E program? Refer to Title IV-E preprint.
- Does the Tribe have, or can the Tribe develop and implement policies and procedures consistent with federal practice requirements?
- Does the Tribe have access to a court system that has or can develop and implement court procedures and rules consistent with federal requirements?
