

## Assessing Your Tribe for Title IV-E Readiness: Eligibility Requirements

- What kind of procedures will you create to ensure that only U.S. citizens and qualified aliens receive title IV-E payments?
- How will you obtain information on a State's 1996 AFDC plan?
- Is it practical to contract out the AFDC portion of an eligibility determination to a State?
- How will you manage applying multiple states' AFDC plan standards?
- How will you work with state Medicaid agencies to ensure eligibility for children receiving title IV-E?
- What procedures are needed to ensure that Medicaid can continue when children move from one jurisdiction to another?
- What kind of factors or conditions of a child make it reasonable to conclude that he/she can not be placed for adoption without providing IV-E adoption assistance or Medicaid?
